

Venue:

Please remember that we do not own this venue. You are sailing at a private yacht club and should treat it as such.

- No ball playing on the lawn
- Don't use the swing set.
- Pick up after yourselves
- Keep all gear in your vans and not on the lawn or in the locker room
- Change in the locker room or in your van, not on the lawn or in the parking lot.

Please do not arrive until 8:45. We will not open the gate before then. There will be plenty of time before the skippers meeting to get rigged and changed before racing

Boats:

Hull 19 Matches with Sail 11 and Hull 20 Matches with Sail 13. We will call you over by your sail #

Our boats are getting old and we are due for a fleet replacement soon. We have sailed all of the boats this week and checked that everything works. That being said, please check your boat over before you launch. Let any of the Fordham Sailors on shore know if something is broken or breaks during the course of the day. They will help you find the necessary parts.

We have measured the rake on all the boats and set them all to equal levels. Because shroud lengths vary, two boats may be on separate chain plate settings. Do not adjust the pins.

All our boats have stern bumpers made from swim noodles. Please have them on whenever you are moving the boat. Hang them on the fence at the bottom of the ramp when you launch

Some of the outhaul cleats on the booms are slipping. I would encourage you to put a half hitch in the boom at the end of the cleat

Racing:

Rotation and RP forms will be on techscore. If you do not have a techscore login for your team, speak to our Scorer and he will enter your RP for you at the end of racing.
