

**North/North NWICSA Fall Ranking Regatta
November 23rd and 24th, 2019
University of Washington Sailing Team
Sail Sand Point**

1. RULES

The regatta will be governed by the current Racing Rules of Sailing, as modified by the prescriptions of US Sailing, the ICSA procedural rules, this Notice of Race, and Sailing Instructions.

2. ELIGIBILITY & ENTRY

This regatta is open to schools which are registered and in good standing with NWICSA and ICSA. A school may bring one coed varsity team and one women's varsity team. A school may also bring multiple JV teams. Each team shall consist of four or more currently eligible sailors from the same college/university.

3. REGISTRATION & FEES

Teams shall RSVP to the regatta by 8:00 pm Tuesday, September 19th, 2019. Teams shall RSVP using the online [NWICSA Regatta RSVP Spreadsheet](#). An entry fee of \$5 per sailor will be collected at registration on Saturday morning.

4. BOATS & FORMAT

This will be a two-division (A & B Fleet) regatta sailed in FJs. Varsity and JV will race in the same fleet and will be scored separately. There are limited charters available through Sail Sand Point. These will be allocated on a first come, first served basis and priority will be given to teams travelling a further distance. There is no charter fee. Teams that charter are responsible for providing their own sails, and are expected to return borrowed equipment in good working order. Teams able to bring their own boats are encouraged to do so.

5. VENUE

Racing will take place in front of Sail Sand Point. Rotations will occur off the concrete dock or floating FJ dock. The competitors meeting and check-in will both take place in front of the main office. Parking for cars and trailers (including overnight) is available on site free of charge.

6. LAUNCHING & BOAT STORAGE

Teams are encouraged to launch their boats prior to the competitors' meeting. Trailers and dollies may be stored adjacent to the launch ramp during racing. Some boats may be kept on the dock overnight. Those not stored on docks will need to be stored on dollies and parked in a designated area overnight.

8. SCHEDULE
