4.2 If 12 or fewer teams compete, the format will be changed to combined divisions with as many as five races.

**5 Courses**

5.1 Apex 2 Reaching start down through to gate, through bottom gate, through top gate, finish left.

5.2 Apex 3 Same as Apex 2 but with three legs finishing through bottom gate.

5.3 Apex 4 Same as Apex 2 but twice around or four legs.

6 Larks built in 2016 by Whitecap Composites are beautiful; keep them that way.

**7 Coaching Tips**

7.1 Start where the others are not.

7.2 Never get fouled by any other boat.

7.3 At a crowded rounding, it's better to use speed on the outside rather than yelling on the inside.

**8 Parking, etc.**

8.1 Parking is plentiful and easy next to the boathouse but do not park in handicapped spaces.

8.2 Competitors are allowed up on the observation deck but not inside the building except to use the restrooms.

**9. Food is provided.**

Plan is to serve chili and nachos starting around 5:15 in the parking lot when A division comes in.

**10. Enjoy**
