

## Parking at Harvard Sailing Saturday

Cambridge has thrown us a curve for Saturday with last minute notice of parking closure on Memorial Dr. on Saturday until 1pm. We have paid MIT for 18 parking places in their lot E51. That is one per team. You can drop people off at our sailing center and then drive over to E51. Find it on your favorite mapping program. After 1pm Saturday there should be plenty of parking on the westbound side of Memorial Dr. across from the sailing center.
