About American Yacht Club

American Yacht Club was founded in 1883, originally for steam yachts. In 1889, AYC ran its first sailboat race, and we have remained a regional leader in the sport of sailing ever since. We sail and race 12 months a year with active fleets across dinghies, keelboats, and new forms like wingfoiling. Our frostbiting program offers extremely competitive racing in the ILCA. We also organize and support teams for major invitationals across team, match, and fleet racing.

The 2026 ICSA Singlehanded Championships

We welcome sailors, coaches, and parents to the club for the 2026 ISSA Singlehanded Championship. Temporary audit numbers will be available if you want to have lunch at the club (dinner service will not be available due to other events).

Junior Membership Opportunities

AYC welcomes active junior sailors and tries to make the path to membership affordable and accessible. If an internship or life after school takes you to New York and you are interested in exploring membership, you are welcome to contact us at membershipcommittee@americanyc.org.

Clubhouse Rules

We are not a stodgy place but please remember 4 basic rules: (1) no hats worn in the main clubhouse, (2) shoes must be worn in the clubhouse, (3) step outside to take a phone call or text chat, (4) men must wear a collared shirt to eat in the dining room.
