

Team1Newport

Team1Newport is the regatta sponsor and will be awarding prizes to the top three teams after racing on Sunday.

Here is the link to the National Regatta gear: <https://www.team1newport.com/mobile/College-Sailing-National-Invitational-2022/products/1343/>

If you go to Team1Newport.com and click on Regatta Stores and scroll down to the National Regional Teams Invitational, you will find gear you can order. The regatta store will also include light grey hoodies if you would also like a hoodie. Any team orders likely may be ready to pick up at the regatta.

Any item can be ordered by anyone. Also, almost any item they sell can have the logo put on it, for an extra \$10. The sooner things are ordered the sooner you will get it. I highly suggest getting some gear if you are even slightly interested! It is a great token for the memories, bragging rights, recruiting and pride.
