

Gorge Invite
May 11th-12th, 2024
UO and WWU Sailing at
Cascade Locks, Oregon

1. RULES

The regatta will be governed by the current Racing Rules of Sailing, as modified by the prescriptions of US Sailing, the ICSA procedural rules, this Notice of Race, and the Sailing Instructions.

2. ELIGIBILITY & ENTRY

This regatta is open to schools which are registered and in good standing with PCCSC and ICSA, as well as all Alumni. A school may bring multiple teams. Charters may be limited based on boat availability.

3. REGISTRATION & FEES

PCCSC teams shall RSVP to the regatta by May 3rd, 2024, and by using the online [PCCSC Regatta Matrix](#). Out of conference teams can RSVP by emailing officers@wwusailing.org. Alumni teams can RSVP by filling out this [Form](#) by May 1st. An entry fee of \$20 per current student and \$30 per alumni will be collected at registration on Saturday morning, along with charter and campsite fees as they apply. Please pay by cash or check made out to UO Sailing. If teams need an invoice or to pay by credit card, please reach out to UO Sailing at least 5 days in advance.

4. BOATS & FORMAT

Teams are encouraged to supply their own FJ(s). Limited charters are available from PSU and other local schools on a first come first served basis, with Alumni teams receiving priority. Non-Alumni charter requests will be assessed on April 30th, and assigned if there are sufficient charters available. Charters will be organized in [this spreadsheet](#) under the "Charters" tab.

A charter fee of \$100 per boat will be collected on Saturday morning prior to sailing. Please note that additional fees to cover transportation of boats may be charged as there are not any boats at the event site; all boats must be trailered to the event site. PCCSC teams that charter are responsible for providing their own sails unless requested. PCCSC sail charters are \$25. Sails will be provided for alumni and out of conference teams free of charge. All teams are expected to return borrowed equipment in good working order. Costs related to chartered equipment that is damaged during the regatta will be paid for by the team chartering the equipment.

To request a charter, please email the WWU Sailing team at officers@wwusailing.org.

5. VENUE

Racing will take place on the Oregon side of the Columbia River to the east of Marine Beach Park. Rotations will occur off the dock in the marina at Cascade Locks or off Marine Beach depending on wind direction. The competitor's meeting and check-in will both take place in front of the Columbia Gorge Racing Association (CGRA) building.

6. PARKING

Parking for cars and trailers is available at CGRA. Some spaces must be left open for other park

patrons, and the west side of the lot is reserved for marina tenants. Car parking is paid for via an app.

7. LAUNCHING & BOAT STORAGE

Trailers and dollies may be stored on the grass or gravel (not the parking lot) during racing. Boats will need to be stored on dollies and parked in a designated area overnight.
