

BC Team Race
March 22, 2026

Information for Competitors

Plan to be on the water for the whole day (3p cutoff time) with the exception of running in to go to the bathroom

Coaches and substitute sailors will be on floating dock

Bathrooms are the bathroom trailers in the parking lot only! There's no running water inside the building

Use bathroom before sailing

The doors to Savin Hill YC lock automatically – you can hook the door open when you go to the bathroom

Format is two consecutive races in a row vs same competitor. This will give us two round robins, if time allows, we will try for a third

Dress immediately upon arrival

Proceed to the very back of the Savin Hill YC property – as far east as you can walk – for a motorboat ride out to your boat. First boat leaves the dock at 10:40

Coaches will need to help hear protest at end of day
